27 Q. What do you understand by the providence of God?

A. The almighty and ever present power of God by which God upholds, as with his hand, heaven and earth and all creatures, and so rules them that leaf and blade, rain and drought, fruitful and lean years, food and drink, health and sickness, prosperity and poverty—all things, in fact, come to us not by chance but by his fatherly hand.

28 Q. How does the knowledge of God's creation and providence help us?

A. The We can be patient when things go against us, thankful when things go well, and for the future we can have good confidence in our faithful God and Father that nothing in creation will separate us from his love. For all creatures are so completely in God's hand that without his will they can neither move nor be moved.

WORSHIP NOTES

Welcome to Hope CRC! As we gather for worship today we celebrate specific ways that God has shown his faithfulness to us. During the morning worship service, we will take a moment to recognize our senior students as they move on to a new chapter in life. We give thanks to the teachers, counselors, and youth leaders who have invested in their lives. Immediately after the worship service, we will have our annual congregational meeting. This morning’s text is from Hebrews 13:15-19 which reminds that our lives are to be a sacrifice of praise to the Lord. In the evening, we will select new office bearers for the coming year. The evening’s text is from Lamentations 3:19-26. Along with Lord’s Day 10 of the Heidelberg Catechism, we will be reminded of God’s providence and care in our lives. Let us worship God today!
