The **Guiding Star Cycle Show** for girls aged 9-13 is here for the summer! We have two great dates available - June 9 in Sioux Center and June 23 in Orange City. This workshop was developed to give young girls the knowledge of what is going on inside their bodies in relation to puberty. This knowledge supports and prepares them in a positive way for the wonderful changes they will experience within their bodies over the coming years. Today, it is more important than ever for young girls to have high self-esteem regarding their bodies, not just when they are in the middle of puberty, but before the onset. Participation in the Cycle Show Workshop helps the girls value and respect their bodies as they move into their teenage years. **Sign up by going to the website and choosing Sioux Center or Orange City as your desired location** ~ <https://guidingstarproject.com/cycle-show/>

Thank you Thank you to all who came to the wedding shower for Jayden and I. We are overwhelmed with the prayers, gifts, and support that we have received from Hope CRC. Jayden and I are excited to start our new life together in Orange City on June 25, and we are grateful to know we have the prayers and support of Hope CRC.
