The **Guiding Star Cycle Show** for girls aged 9-13 is here June 23 in Orange City. This workshop was developed to give young girls the knowledge of what is going on inside their bodies in relation to puberty. Today, it is more important than ever for young girls to have high self-esteem regarding their bodies, not just when they are in the middle of puberty, but before the onset. Participation in the Cycle Show Workshop helps the girls value and respect their bodies as they move into their teenage years. **Sign up by going to the website and choosing Sioux Center or Orange City as your desired location** ~ <https://guidingstarproject.com/cycle-show/>
